

**Transformations**  
TREATMENT CENTER

An **UPHealth** Company

We offer a complete continuum of evidence-based, individualized substance abuse and mental health treatment care. This includes detox, residential, partial hospitalization, and intensive outpatient programs, client housing with 24/7 monitoring, psychiatric and medical services, aftercare support, and a vibrant alumni program.

#### We serve clients struggling with:

- Substance abuse and dependence
- Anxiety
- Depression
- Bipolar disorder
- Post-Traumatic Stress Disorder (PTSD)
- Trauma
- Social anxiety
- Obsessive Compulsive Disorder (OCD)
- Panic disorders
- Mood disorders
- Personality disorders

# Jewish Program

Transformations is committed to providing a culturally and spiritually sensitive space during treatment for Jewish individuals confronting substance use and/or mental health disorders.

Participants are offered the following additional **optional services** alongside our standard treatment programming:

- Glatt Kosher food
- Shabbos and Yom Tov accommodations and programming
- Culturally-sensitive therapy and support
- Connection to local and national Jewish community resources

We are nationally licensed and accredited.
