### Daily Chapel and Worship

Chapel is our daily morning time of devotion to God in the Christian Program at Transformations. Chapel time consists of prayer, praise and worship, devotional Bible reading and reflective life-application discussion.

## Who is the Christian Program for?

Our Christian Program is for anyone who is seeking deeper faith as part of their treatment. Studies have shown that people who choose a faith-based approach to recovery are more likely to maintain sobriety and avoid relapse.

This program is led by professionally trained clinicians who work with clients to incorporate Christian values into their every-day program of recovery. We want to equip each client to thrive in their relationship with Christ and in recovery.

We are nationally licensed and accredited.
